"Today's Dreams Are Tomorrow's Realities"

The Impossible Dream

Joe Darion

To dream the impossible dream
To fight the unbeatable foe
To bear with unbearable sorrow
To run where the brave dare to go

To right the unrightable wrong
To love pure and chaste from afar
To try when your arms are too weary
To reach the unreachable star

This is my quest
To follow that star
No matter how hopeless
No matter how far

To fight for the right
Without question or pause
To be willing to march into hell
For a heavenly cause

And I know
If I'll only be true
To this glorious quest
That my heart
Will lie peaceful and calm
When I'm laid to my rest

And the world
Will be better for this
That one man
Scorned and covered with scars
Still strove with his last ounce of courage
To reach the unreachable star.

Yo a guy that hugs the — of Debra me. Feel out

To Mark a real nice guy I met this year. Good luck with all the girls at Webber. Rosemarie Makarewicz

Dedication

On behalf of the faculty, the student body, and the Comet staff of 1970, we dedicate the yearbook to Mr. Kenneth Ward Mathews.

Mr. Mathews received his education at Ball State University. There he received his Bachelor of Arts. After receiving his Bachelor degree, Mr. Mathews went on to receive his Master of Music in Education from the University of Michigan.

Mr. Mathews musical career has been one which has covered many areas and interests in the field of music. He has directed many of the musical organizations of Saginaw and in this area including the Saginaw Chorus, The Midland Symphony, The Eddy Band, The Elf Kurafeh Shrine Band, and several choirs. Mr. Mathews was first chair clarinetist with the Saginaw Symphony for twelve years. Throughout his career, Mr. Mathews, has been active in all phases of music and he still plays in a number of organizations. Presently, Mr. Mathews is teaching at Webber Jr. High School and has been here for many years.

Mr. Mathews has many interests and they range from lapidary, rock hunting, hunting and fishing.

Mr. Mathews has six children, two sons and four daughters. Three are teachers and three are in college.

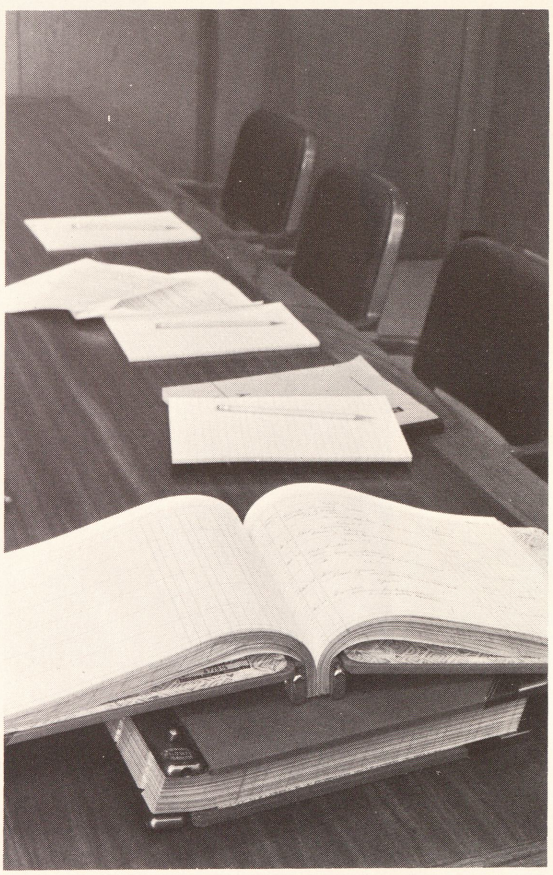
To this talented man, Mr. Ken Mathews, we respectfully dedicate this yearbook.

We, of the Journalism Class, have set aside this page to honor Mr. I. P. Riddle, a ninth grade English teacher here at Webber. Mr. Riddle, has also for the last three years been teaching Journalism. He has helped to put out many fine papers and yearbooks, which we realize could never have been accomplished without his help.

With the utmost sincerity we thank-you for all the friendship and guidance you have offered us.

The Journalism Class 1969--1970

ADMINISTRATION



Principal

JOHN D. PARR

Mr. John D. Parr, our fine principal and outstanding educator, is doing an outstanding job here at Webber. He is forever dedicated to this school and the youth itself.

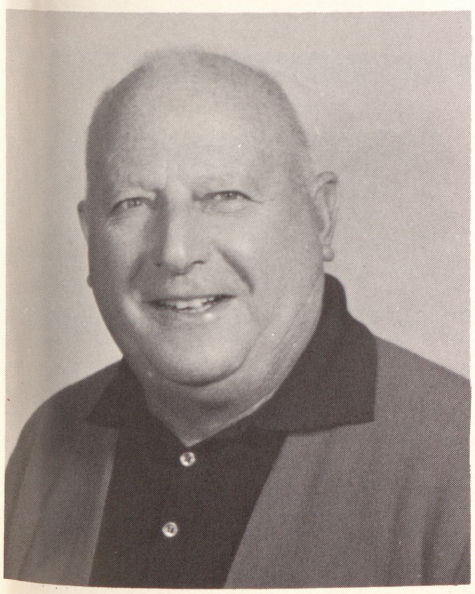
Office Personnel

This year once again we are proud to have as our office personal Mrs. Pauline Howell who has been with us for fifteen years; Mrs. Ester Warner who has been here for seven years; and Mrs. Ruth Larson now in her second year.

Also a special thanks to Mr. W. S. McMullen, our attendance officer, who for the past forty-years has worked here at Webber.



Mr. McMullen

Mrs. Warner

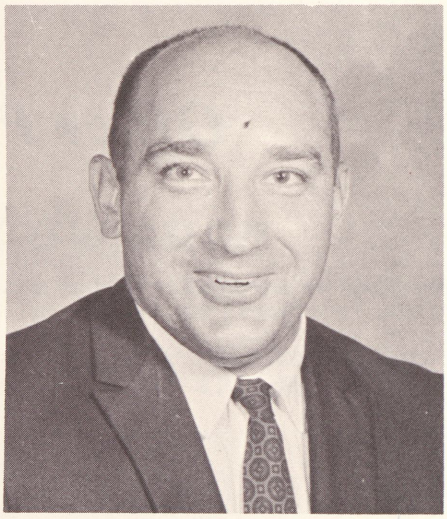
Counselors

MRS. LEEK

This year our counseling staff is made up of three counselors, one for each grade. We of the Journalism Staff would like to thank them on the behalf of all the students, who we are sure appreciate the helpful guidance they give us.

Our seventh grade counselor is Mrs. Doreen Leek. Those of us who have asked her for advice know just how experienced and helpful she is. Her friendly guidance will always be accepted.

A new addition to our counseling staff this year is Mr. John Landeryou. All the students who have met Mr. Landeryou appreciate his firm but fair advice. We hope he will stay on at Webber for many years to come.



MR. LANDERYOU

MR. POWERS

We are happy to say that our ninth grade counselor is Mr. Gordon Powers. Those of us who have talked to him agree that Mr. Powers is very much qualified for the position of counselor for this years ninth graders.

In Memory Of Vince

This winter, our hearts were saddened by the passing away of Vincent Corbett, who had worked at Webber Jr. High School for a number of years.

To many of us Vince was a very personal friend, and will always be missed and remembered.

We, the faculty, the staff, and the student body, wish to extend our sympathy and prayers to the family and relatives of Vince.
